I. The scope and purpose of this standard operating procedure (SOP) is to describe and promulgate as policy, the overall mission, values, organizational structure, responsibilities, and requirements of the Guam Veterans Affairs Office (GVAO) staff particularly in relation to the functioning of the veterans programs that the GVAO administers inclusive of the administrative and operational activities of Guam's veterans cemetery. This SOP sets forth the authority and responsibilities and functions of all employees, and volunteers assigned to GVAO.

This SOP applies to all administrative and operations work assignments that GVAO employees and volunteers are involved in that relates to accountability and documentation of veterans records, GVAO equipment, vehicles and properties, and financial funds associated with the operations and administrative functions.

II. Mission

The Guam Veterans Affairs Office (GVAO) is responsible for the administration of all local laws respecting veterans of the Armed Forces of the United States. It is the agency of the government of Guam charged with the responsibility of cooperating with the Veterans Administration of the United States on all matters relating to local veterans. The Office assists every veteran of Guam and their family members in presenting and pursuing such claims as the veteran, family member, or survivor are entitled to under current federal law. The processing of claims for veterans and their dependents and survivors is limited to the initial claims. The claims may include the following types of benefits and service:

- 1. Disability compensation benefits.
- 2. Disability pension benefits.

3. Dependents' indemnity compensation.
4. Widow's death pension.
5. Burial benefits.
6. Confirmed and continued claims.
7. Vocational rehabilitation and education.
8. Waivers of indebtedness.
9. Other benefits that result in monetary awards to the claimant. The Office of Veterans Affairs provides staff services for Guam veterans and cooperates with all local veterans organizations.

Maintain the highest standards of Guam's veterans cemetery, keeping the cemetery clean, having available space for veteran's burials with honors, and the use of the veterans cemetery chapel for memorial services.

III. Vision

Guam's Veterans, the men and women who served honorably on active duty with the U.S. Armed Forces, will receive the highest quality of support and care involving the agency's federal and local benefit processing and consultation services, and burial services with honors. We envision Guam's veterans feeling appreciated and satisfied because of our commitment to support and assist them with healthcare benefits, advocate for programs to assist veterans that are disabled, homeless, unemployed or in need of training and education assistance. We envision that Guam's veterans are given a dignified burial with honors for their service to our island, and nation.

IV. Organizational Structure, Authority, Duties and Responsibilities.

Title 10 GCA Chapter 67 is the enabling law that outlines the establishment of GVAO. A clear line of authority establishes accountability for GVAO administration and operations functions, and is as follows:
